LEAVING A LEGACY

Your planned gift will allow us to plan for the center's future: how best to sustain current programs and how to grow new ones. Your legacy gift ensures that we will be able to stand with the most vulnerable for years to come.

WHAT IS PLANNED GIVING

Planned giving is a way to give a gift to your charity of choice through thoughtful estate planning.

A planned gift as part of an overall estate plan takes your needs as well as the needs of your loved ones into consideration, while helping support a cause that is personally meaningful to you.

PLANNED GIVING

WAYS TO GIVE

- Bequests {in wills or trusts}
- Beneficiary designations {in a retirement account, insurance, or bank account}
- Appreciated securities {stocks, bonds, mutual funds}

There are more complex ways to give; please consult your financial planner to determine what is best for your unique needs.

MISSION STATEMENT

The Quixote Center empowers vulnerable families and communities to become the artisans of their own destiny through transforming oppressive systems and structures. Inspired by liberation theology and Catholic Social Teaching, we do this through sustainable development, advocacy, economic justice, environmental, and educational initiatives. Our current focus is on Nicaragua and Haiti, where we support programs to empower impoverished families and communities, and support for migrants in Mexico and Central America, where we work to mitigate the damage of US immigration policies. Together with our partners, we dream of a world more justly loving.
